Independently Published, United States, 2018. Paperback. Condition: New. Language: English. Brand new Book. A Small Boy and Others is a book of autobiography by Henry James published in 1913. The note is sounded from the first chapters, as James recounts the limitations and rewards of the child he was: "For there was the very pattern and measure of all he was to demand: just to be somewhere-almost anywhere would do-and somehow receive an impression or an accession, feel a relation or a vibration. When a cousin of his was told "don't make a scene," he suddenly realized that scenes could be made by telling a story or inventing a play. He went often to the theater and fell forever under its spell. His family met William Thackeray and Charles Dickens on their American tours, and James even remembered Thackeray mock-scolding his sister...
